

birth mother and contact issue

Escrito por kevinmanuel - 20/04/2018 13:14

Hi,

can u give me advice again please, our gc birth mother has not had contact for over a year , now she wants to come back we are very concerned about our gc cause she is not relable and will not stick to contact.

we have a sgo but do not no were we stand , i cant belive that she could want to cause more upset to this poor child.

Please help.

I didn't find the right solution from the Internet.
