

insurance for a brand new car?

Escrito por faelanstevie - 12/04/2018 10:29

Hi,

I want to buy a new car, i want to ask that wheather it is compulsory to buy an insurance from the dealer itself or we can buy insurance from any insurance company?

because i have seen that there is vast gap between the quotes of public sector ins cos. (like oriental) and pvt sector cos.

so can i save some bucks on my new car?

how the arrangements are made, is insurance is applied before purchasing car or after driving it home?

Please help.

I didn't find the right solution from the Internet.
